OFFICE OF THE MINISTER FOR
PUBLIC WORKS AND ELECTRICITY,
BANGALORE,

No. M 542/60

MINUTE.

Dated 27 December 1960.

22) During my visit to Periyapatna, the people of Uttenahally approached me with a representation that the question of release of forest land in S.No.9 of Huthenahally is pending before Government. The Forest Department is said to have been issued a notification as far back as 1947 notifying the area as State Forest. The local Revenue Officers have granted about 200 acres of land to landless people and there is still a balance of about 300 acres available. It is said that this is a compact area and the village is situated in the centre. I remember that some back records were built up to cancel afforestation and distribute the remaining 300 acres of land amongst the landless people. It is said that the proposal is pending before Government. The Special Officer for Land Grant in Periyapatna Taluk met me sometime back and said that this land is very essential to meet the requirement of Uttenahally and Panchavally villagers. He also said that it would work great hardship if the area is to be converted into State Forest, since the village will be situated in the midst of State Forest. I would like to have a note on the subject and the present position.

Hem 27/12

(H.M.CHANNABASAPPA)

Serial No.

23) The minute of the M(P.W.D) dt.27-12-60 may kindly be perused at page 22/a (Diary 12353/60 dt.30-12-60).

24 The minute deals with the question of grant of land in S.No.9 of Uttenahalli in periapatna ~~hobli~~, ~~Hunsur~~ Taluk which were once granted by the Revenue Department without the consent of the Forest Department.

25 The facts of the case in brief are as follows:

Out of the total area of 587-8-0 acres of S.No.9 of Uttenahalli, an area of about 216 acres were granted by the Tahsildar, Periapatna Taluk ~~in~~ ~~x~~ for cultivation.. At the time the Revenue Department did not consult the Forest Department much less obtained its concurrence to the grant on the ground that the land belonged to them. According to the R.D. the fact of the lands being constituted into a State Forest was not entered in their account and being guided by the mistake that the necessary entry was not made in the Khetwar accounts ~~mainted~~ maintained in the Taluk Office, the Tahsildar, Periapatna, granted them.

26 The applicants are reported to have brought the land under cultivation at a considerable cost and that as most of the grantees are poor and landless agriculturists, ~~it~~ the D.C.Mysore, states in his letter dt 26-3-59 at page 43/c that it is not desirable to cancel the grants at this distance of time and in the circumstances recommends release of 216 acres from the forest Deptt.,

27 According to the CCF, 15/c it is stated that about 100 acre have been brought under cultivation by the villagers of Uttenhalli, under the authorisation of Saguvali Chits issued by the R.D.during 1955 and 1957. Further an additional area has also been granted to the Harijans and Kadukurubas. But so far the Harijans have cultivated only 6 acres and the Kadukurubas have cleared 20 acres. The CCF therefore opines that it is difficult to evict the cultivators in view of their having brought the area under cultivation with food crops etc., after obtaining Saguvali chits from the Revenue authorities long back.

28 The CCF in his letter dt.19-3-58 15/c in the circumstances stated therein, recommends release of the area which is actually brought under cultivation under cover of Saguvali chits issued by the RD, as an extension to the already existing Uttenhalli enclosure.

29 The remarks of the Div.Commr.Mysore, have been called for on the letter of the D.C.Mysore, ~~dt.~~ 27-7-59. — (p.47/c)

Note.—Contn. Sheet

Serial No.

The Divisional Commissioner, Mysore Dn.Mysore, ~~xxxx~~ has not yet sent his remarks in the matter to Government. 30

It is further gathered from the CCF that certain particulars have been called for from the C.F.Coorg ~~Crx~~ Circle, Mercara and are awaited. 31

According to the recommendation of the CCF 15/c an area of 126 acres has to be disforested as against 216-0-0 acres recommendad to be released by the Deputy Commissioner, Mysore District, Mysore. (p.43/c) 32

42 Please see the CCF's letter dt 6-1-61 w.r.t. to paras 34 and 35a.

43 The opinion of the CCF can be summised into the following points.

44 (i) He is firm that the land in respect of which sagurali chits have been issued, are only to be released.

(ii) Further the time or period to be taken into consideration should be those who were issued sagurali chits prior to 1956-57.

(iii) Subsequent claims should be rejected and the encroachers evicted.

(iv) Officers responsible for issue of sagurali chits for cultivation of forest land, either, present or subsequent should be ~~[illegible]~~ discouraged.

on the basis of the Saguvali Chits issued by the Revenue authorities upto March 1959. It would not be fair to dislodge them now, at this length of time. The grants may be confirmed.

51 On the remaining area of 371 acres in the said S.No. 9, the District Forest Officer, Mysore, has reported in his letter No. 2648 dated 5th February 1958, as follows:-

> "As regards the forest standing worth on the area in question, there are no timber species which can be exploited economically by the Department and there is practically no fuel for exploitation or for sale

52 There are good many landless people who are agitatin for the grant of land. Even if we reserve the remaining extent, due to the proximity of the village and exploitation by men and cattle, afforestation may not be feasible.

53 In the circumstances, it is for consideration whether the entire Survey Number be disforested and the land allotted to the landless agriculturists of this village who have no other means to eke out their livelihood.

If it is agreed to release the entire forest area in S.No. 9 of Uttenahalli for agricultural purposes, further action will be taken in the matter.

MYSORE GOVERNMENT SECRETARIAT
No.
19 MAR
TIEN

Sir,

Sub:-Grant of lands out of S.No.9 of Uttenhalli village, Periyapatna Taluk.

Ref:-Your memo No.AFD 5 DST 57 dated 11-1-1958.

It has been reported by the District Forest Officer, Mysore Division, that out of the total area of 587 acres and 8 guntas of S.No.9 of Uttenahalli, an area of about 100 acres have been brought under cultivation by the villagers of Uttenhalli, Periyapatna Taluk under the authorisation of Saguvali Chits issued by the Tasildar, Hunsur during 1955-56 and 1956-57. He also reports that additional lands have also been granted to Harijans and Kadukurubas. But so far the Harijans have cultivated only 6 acres and the Kadukurubas have cleared 20 acres. Further it has been reported that it is very difficult to evict the cultivators in view of their having brought the area under cultivation with food crops after obtaining Saguvali Chits from the Revenue Authorities long back. In the circumstances he recommends release of the area which is now actually brought under cultivation and with the cover of Saguvali Chits to the cultivators after reserving a buffer zone of two furlongs width between the area to be released and the boundary of the State Forest treating this as an extension to the existing Uttenahalli enclosure. A copy of letter No.RC 2648 dated 5-2-58 from the District Forest Officer, Mysore is enclosed for favour of kind perusal.

Forest

2. In this connection I wish to state that when this irregular grant was noticed by this Department the same was brought to the noticeof the Deputy Commissioner under this office D.O. No.M2-93-1070-55 dated 17-9-56, requesting him to cancel the grant inadvertantly made by the Revenue Department. The Revenue Department, however, seems to have not taken any action in this behalf. Such instances are becoming common nowadays resulting in disforestment of most of our forest areas. Therefore I request you to kindly direct the Divisional Commissioner, Mysore to take suitable action against the Amildar concerned who is responsible for the irregular grant.

3. However, in the circumstances reported by the District Forest Officer, I recommend release of the area which is actually brought under cultivation under cover of Saguvali Chits issued by the Revenue Department as an extension to the already existing Uttenhalli enclosure. Orders of Government may kindly be communicated early. The sketch of the area will be submitted to Government for reference on receipt of the same from the District Forest Officer, Mysore.

4. The letter received with your memo under reference and other petitions received from the Conservator of Forests, Coorg Circle accompany.

Yours faithfully,

(K.KADAMBI)

No.RC.2648/26

Office of the District Forest Officer,
Mysore, the 4th February 1958.

From

The District Forest Officer,
Mysore Division,
MYSORE.

To

The Conservator of Forests,
Coorg Circle,
MERCARA.

Sub:- Grant of lands out of S.No.9 of Uttenahalli
Periyapatna Taluk.

Ref:- Your Memo Nos. (1) H.1168-3928/57 dated 19-1
and (2) A1.448-4201/57 dated 20-12-1957.

S i r,

With reference to the above, I enclose herewith a
letter No.637/57 dated 30th January 1958 of the Range Fore
Officer, Hunsur on the above subject, for favour of perus
I agree with the above proposal of the Range Forest Office
and state as follows.

Survey No.9 of Uttenahalli is a part of Huddahalli
Forest as per "C" Statement consisting 587 acres and 8 gun
Out of the total area of 587 acres and 8 guntas, about
100 acres have been reported to be brought under cultivation
the villagers of Uttenahalli Village, Periyapatna Taluk
addition to the above, the Harijans have cultivated about
and the Kadukurubars have cleared about 20 acres of forest
growth so far on the said survey number as shown in the
enclosed herewith.

The area in question has been surveyed by the Forest
Surveyor recently and the correct sketch map indicating the
unauthorised cultivation so far made etc., has not been so f
received from the Divisional Forest Officer, Working Plans a
Forest Surveys, Bangalore for further needful. He has been
reminded this day in this behalf on on receipt of the same
will be submitted early.

26

As regards the forest standing woth on the area in question, there are no timber species which can be exploited economically by the Department and there is practically no fuel for exploitation or for sa

In this connection, I am of opinion that it is very difficult to evict the cultivators at this distance of time when the said land i actually brought under cultivation with food crops after obtaining Saguvali Chits from the Revenue authorities long back.

Under the circumstances, I am of opinion that the area which is now actually brought under cultivation and with the cover of Saguvali chits may perhaps be released to the cultivators after reserving a buffer zone of 2 furlongs width between the area to be released and the boundary of the State Forest treating this as an extension to the existing Uttenahalli enclosure.

I request for consideration of my proposals and communication of early orders.

The following original applications received with your memo number under reference are herewith resubmitted, for favour of further needful.

1. Letter dated 16-11-1957 of Sri. H.M. Channabasappa, M.L.A. along with the petition of the villagers of Uttenahalli Village, Periyapatna Taluk addressed to the Hon'ble Minister for Agriculture and Forest Departments, Bangalore.

2. Petition dated 15-11-1957 of the villagers of Uttenahalli Village, Periyapatna Taluk addressed to the Hon'ble Minister for Agriculture and Forest Departments, Bangalore.

Yours faithfully,

Sd/-

**

Subject: Grant of lands out of S.No. 9 of Uttenhalli village, P.Patna Taluk.

Ref: Your Memo. No. AFD. 5 DFT 58, dated 11-1-1958.

**

It has been reported by the district Forest Officer, Mysore Divisi that out of the total area of 587 acrs and 8 guntas of S.No.9 of Uttenahali an area of about 100 acres have been brought under cultivation by the villagers of Uttenhalli, Periyapatna Taluk under the authorisation of Saguvali chits issued by the Tahsildar, Hunsur durin 1955-56 and 1956-57. He also reports that additional lands have also been granted to Harijans and Kadukurubas. But so far the Harijans hav cultivated only 6 acres and the Kadukurubas have cleared 20 acres. Further it has been reported that it is very difficult to evict the cultivators in view of their having brought the area under cultivation with food crops after obtaining saguvali chits from the Revenue Authorities long back. In the circumstances he recommends release of the area which is now actually brought under cultivation and with the cover of Saguvali chits to the cultivators after reserving a buffer zone of two furlongs width between the area to be released and the boundary of the state forest treating this as an extension to the existing Uttenahally enclosure. A copy of letter No. RC. 2648 dated 5-2-58 from the District forest officer, Mysore is enclosed for favour of kind perusal.

2. In this connection I wish to state that when this irregular grant was noticed by this Department the same was brought to the notice of the Deputy Commissioner under this office D.O.No.M2.93-1070-55 dated 17-9-56, requesting him to cancel the grant inadevertantly made by the revenue Department. The Revenue Department, however, seems to have not taken any action in this behalf. Such instances are becoming commong now-a-days resulting in disforestment of most of our forest areas. Therefore, I request you to kindly direct the divisional Commissioner, Mysore to take suitable action against the Amildar concerned who is responsible for the irregular grant.

3. However, in the circumstances, reported by the District Forest Officer, I recommend release of the area which is actually brought under cultivation under cover of Saguvali chits issued by the Revenue Department as an extension to the already existing Uttenahally enclosure. Orders of Govt. may kindly be communicated early. The sketch of the area will be submitted to Government for reference on receipt of the same from the District Forest Officer, Mysore.

Letter No.C2.PR.67/58-59 dated 26th March 1959 from the Deputy Commissioner, Mysore District, Mysore to the Divisional Commissioner, Mysore Division, Mysore.

Sub:-Grant of lands in S.No.9 of Uttenahally, Periyapatna Taluk.

Ref:-1.letter No.AFD.5.DST.58.dated 4th Aug. 58 of the Secretary to the Government of Mysore Agriculture and Forest Department, Bangalore.

2.Report No.R3.PR.927/55-56 dt.7th Decr. 58 of the Asst.Commr., Mysore Sub Dn.,

---

I write to state that Government in their letter cited first(copy enclosed) have called for the remarks of this office on the subject cited.

The local Officers have reported that during 1955 80 acres of land in S.No.9 of Uttenahally village, were granted by the Tahsildar, Periyapatna in favour of 20 applicants at 4-0 acres each as the land is situated at a distance of more than a mile from the state forest and that there were no objections to its disposal, that the fact of having included the S.No. in the Forest Revenue was subsequently brought to the notice of the Tahsildar by the Range Forest Office, that apparently necessary entries were not made in the Khetwar accounts maintained in the Taluk office and that the village Shanbhogue after the issue of notification constituting the S.No. as State forest that the Tahsildar has inspected the land on 25.4.57 and found that apart from the present grant of 8-00 acres of land an extent of 136 acres has previously been disposed of in the S.no. that all most all the grantees have brought the land under cultivation at a considerable cost and that as most of the grantees are poor and landless agriculturists, it is not desirable to cancel the grants at this distance of time.

It is further reported that the S.No. was again inspected by the Tahsildar along with the Range Forest Offider on 10.10.58 and a sketch of the land prepared thereon, that the entire extent of 537-08 acres of land in the S.No. has been included in Muddenahally State Forest, that grants made in respect of 12 persons among 54 grantees have not yet been noted in the sktech as the concerned records have been sent to the Survey Department for restification of Akarband, that as seen from the sketch most of the grantees have been allotted lands adjacent to Hiduvali S.Nos. of the village and adjacent to panchavally village border and that in the circumstances the entire extent of 216-00 acres now granted in the S.No. may be recommended to be released.

From the records I find that an extent of 216 acres of land in the S.No. has been granted by the Tahsildar not knowing that the land so granted was included in the Forest Reserve that this has occured owing to the fact that corredt accounts showing ~~in~~ the Forest reserves have not been maintained in the Taluk office, that almost all the granttees have brought the lands ~~granteexxhave~~ under cultivation at a considerable cost and that it is not desirable to cancel the grants at this distance of time.

In the circumstances I request you kindly to move Government to release 216-00 of land in this S.No. from the Forest Reserve as shown in the sketch enclosed herein.

The District Forest Officer has been requested to intimate the forest reserves in the District to the concerned Tahsildars of the Taluks for incorporating

it in the Revenue Accounts.

The connected records are retained as they are required in connection with the release of lands in S.No.48 of Alur and S.No.90 of Muthara-yanahosahally from the Forest Reserves and in which case I shall address you again separately in consultation with the District Forest Officer.

Dear ~~Sri~~ Kaikini,

To

Please refer to your letter No. B3-172-2023/57 dt 19-3-1958 on the subject.

As may be seen therein, the Revenue authorities have granted lands to the Harijans and others without the concurrence of the Forest Dept, presumably under a bonafide mistake. According to the D.C. Mysore, the area granted and Sagupali chits issued in respect of them, comes to 216-0-0 acres in R.S. No. 9 of Muddenahalli State Forest. It is further reported by him that the grantees are landless and poor and they have been in possession of the lands for a pretty long time raising food crops.

Notwithstanding the circumstances stated by the D.C. Mysore, it has been

recommended by you that the area actually cleared and brought under cultivation, should be released. But I should like to impress upon you the necessity of recognising the title of the grantees to the land in as much as they possess Sagunvali chits issued by the Rev. authorities. I may recall here that in a recent case, ~~[illegible]~~ under identical circumstances, Govt were obliged to accept the view that those who possessed Sagunvali Chits should be placed in possession of the lands and it was done as such in respect of lands granted by the Rev. authorities in Muthindurga State Forest, Kunigal Taluk. Considered in this light, it may please be examined whether the matter will not be agitated by the dissatisfied grantees. ~~and~~ It may also please be indicated ~~how~~ why the remaining area of the S. No. 9 ~~is proposed~~ should not be disposed off specially in view of the land having no tree growth and the demand by the landless ~~for~~ is urgent and long drawn.

~~I should be very much thankful if you could kindly make a very urgent report on the points stated for other of Govt. at any rate by 10th instant~~ Please make out above ~~see that your report~~ comes to me by 10th Instant ~~positively.~~

~~With regards,~~

Yours sincerely,

Hg 4/1

My Dear Kaikini,

Subject:- Grant of lands out of S.No.9 of Uttenahally village, Periapatna Taluk.

Please refer to your letter No.B3-172-2023/57, dated the 19th March 1958 on the subject.

As may be seen therein, the Revenue authorities have granted lands to the Harijans and others without the concurrence of the Forest Department, presumably under a bonafide mistake. According to the Deputy Commissioner, Mysore, the area granted and Saguvali Chits issued in respect of them, comes to 216-0-0 acres in F.S. No.9 of Muddenahalli State Forest. It is further reported by him that the grantees are landless and poor and they have been in possession of the lands for a pretty long time raising food crops.

Notwithstanding the circumstances stated by the Deputy Commissioner, Mysore, it has been recommended by you that the area actually cleared and brought under cultivation, should be released. But I should like to impress upon you the necessity of recognising the title of the grantees to the land in as much as they possess Saguvali Chits issued by the Revenue authorities. Imay recall here that in a recent case, under identical circumstances Government were obliged to accept the view that those who possessed Saguvali Chits should be placed in possession of the lands and it was done as such in respect of lands granted by the Revenue authorities in Huthridurga State Forest, Kumigal Taluk. Considered in the light, it may please be examined whether the matter will not be agitated by the dissatisfied grantees.

I shall be obliged for a very urgent report on the points made out above. Please see that your report comes to me by 10th instant.

Yours sincerely,

To

Shri N.S. Kaikini, B.Sc.,

DEPUTY SECRETARY TO GOVT. NO 28/G 6 JAN 1961 AGRICULTURE & FOREST DEPTT.

Dear Shri Murthy,

Sub:- Grant of lands out of Survey No.9 of Uttenahally Village, Periapatna Taluk.

Ref:- Your D.O.No.AFD 5 DST 58 dated 4-1-1961.

DS/9/1/61

MYSORE GOVERNMENT SECRETARIAT NO. 175 7 JAN 1961 FOREST BRANCH

It was in full consideration of the fact that certain areas had been cleared by the landless and poor under cover of Saguvali Chits issued by the Revenue Authorities, it had been recommended in this office No.B3-172-2023/57 dated 19-3-1958 that the extent of land actually cleared and brought into cultivation could be released, in spite of the fact the issue of Saguvali Chits was without prior concurrence of the Forest Department. It has however again been brought out in your letter that the area for which Saguvali Chits have been issued by the Revenue Department be considered for release. As already pointed out in this office letter cited above, instances of issue of Saguvali Chits by the Revenue Authorities are becomming quite common ~~situations~~ ~~even~~ ultimately committing the Government for release of lands. It is time that action of such authorities who issue Saguvali Chits so hastily on the mere plea of granting lands to the landless and poor ignoring other equally important considerations should be suitably taken note of.

6/1.

USF] compile & put up 7/1/61

SmV

Regarding the present case, I will have to give opinion regarding release of the area for which Saguvali Chits have been issued only under extreme stress of circumstances, and I only hope that this would be the last exception and that the Government would be pleased to ~~dis~~ strongly discourage future issue of Saguvali Chits by the Revenue Department without proper verification. I should however

contd.2.

make it clear that the area to be released for which Saguvali chits have been issued should be reckoned as the area as it stood on 1956-57, and if there have been issue of any Saguvali chits subsequent to that date, that should not be taken into account. The concerned Divisional Forest Officer, has been instructed to submit particulars of the extent so granted and on receipt of it, disforestation proposals will be sent to Government.

A

Yours
